# Message from Principal

The motto of Durban Bible College (DBC) is “ *Holding Forth the Word of Life* ” (Phil. 2:16). The rich heritage of DBC is grounded in the authority and centrality of scripture and therefore seeks to give the student a strong spiritual and academic experience. Our faculty and staff are well-qualified and have a wealth of experience that contributes to the quality of each learning experience.

DBC exists to shape men and women from different backgrounds for the work of the Church and the mission of God. Every learning opportunity is grounded in scripture to shape the character of the student to serve the people of God and to lead with courage. We see with Jesus the continuation of the call of the Father “Just as the Father has sent me, even so, I am sending you” (**John 20:21, ESV**). As you take up the call of God to make a difference, DBC would like to partner with you by equipping you with a quality tertiary-level theological education.

As we consider what it means to be equipped for the work of the ministry, may we reflect on these words “A faithfulness to Christ requires scrutiny concerning various personal, cultural, political, economic, and social realities. These realities may be affirmed, rejected, or transformed concerning the demands of affirming Christ as Lord and working for the advance of his kingdom in the world” (Robert W. Pzmino1997,62). Will you respond to the advancement of his kingdom in this world?

There is great purpose in God partnering with each of our students to bring transformation and reconciliation to the world.

Looking forward to meeting and welcoming you soon.

Rev. Lloyd Solomons

# Our History

Durban Bible College was founded as a ministry of The Evangelical Alliance Mission (TEAM) which has its headquarters in Queensburgh, KZN in South Africa and at Wheaton, Illinois in the United States. The College was founded in 1957 by TEAM missionary Nolan Balman.

Since its inception, the College has opened its doors to all racial groups. Students have come from many denominations to be trained at this evangelical institute. The College has exercised tolerance with other Christian groups without compromising its doctrinal statement. That said, the school has historically had a special relationship with the churches founded by TEAM in the Durban area, primarily the Evangelical Bible Church (EBC) denomination.

From its founding, TEAM missionaries served as principals of the College. But in 1994 the College entered a new era when a South African took over the leadership role. In 1995 TEAM turned over control of the College to an Independent Board. This board is currently composed of two representatives from DBC and one each from TEAM, SIM (Serving In Missions), EBC, and The Evangelical Church of South Africa (ECSA), and acting directing of Alumni and individual local pastors.

The first DBC campus, consisting of a single building at 30 Sambalpur Road in Merebank, was constructed in 1965. Various additions were added to the original structure until there was no more room for growth on the ½ acre campus. In December 2002, a new campus was purchased in the Durban suburb of Amanzimtoti. Construction of facilities on the Amanzimtoti campus was originally had the plan to be underway. However, due to several challenges, the Board made the decision to stop the move and sell the Amanzimtoti campus in 2021 instead. God moved DBC in a different direction in seeking a new campus in Durban. In 2022, DBC purchased the new campus next to the Davenport Square Shopping Centre at **40 Esther Roberts Road, Bulwer, Berea, Durban**, where it provides easy accessibility to public transport and the urban ministry environment for students engaging in practical work.

# Our Purpose

The purpose of this institution is to serve Christ by preparing men and women to do the work of evangelism and to edify and equip believers by proclaiming and applying God’s Word in the power of the Holy Spirit.

The college aims to develop in each student a sense of responsibility toward the church global as well as the church local in which the student serves. A missionary vision for the lost throughout the world is prayerfully encouraged as expressed by the school motto, “ *Holding Forth the Word of Life* ” from **Philippians 2:16**.

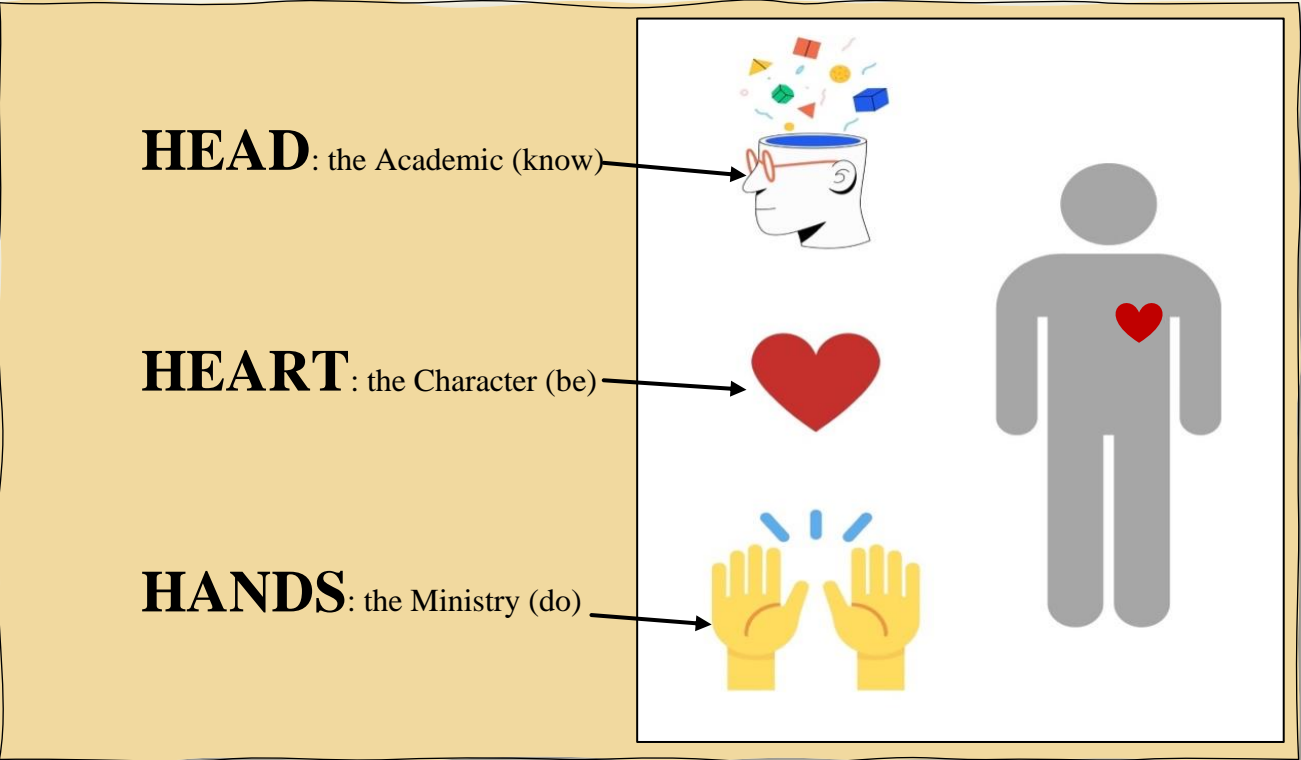

## Our Vision

To impact the world around us by training effective disciple-makers as church workers, pastors, teachers, and missionaries.

## Our Mission

To honour God by training Christian men and women through biblically based college level education so that they can effectively participate in the life and ministry of the church both locally and internationally.

The **Goal** of Durban Bible College are *tri-dimensional*:

## **Academic Objectives (Knowledge - HEAD)**

1. To gain knowledge of the contents of the Bible.
2. To gain skill in exegeting the Scriptures.
3. To gain knowledge of biblically-based systematic theology and biblical theology and to develop skills in thinking theologically.
4. To gain an awareness of contemporary moral and ethical issues and problems and how the Bible relates to them.
5. To gain knowledge of the biblical basis for pastoral, educational, and missionary ministries and develop skills in these areas.
6. To develop the skill of communicating the Bible in expositional preaching and teaching.

## **Spiritual Objectives (Christlike Character - HEART)**

1. To grow in personal fellowship and loving oneness with God.
2. To develop a firm commitment to the final authority and inerrancy of the Bible.
3. To develop habits of faith and obedience and faithful participation in church life.
4. To develop compassion for the lost and a firm commitment to worldwide evangelization.
5. To develop in our students a thirst for continued learning.

## **Ministry Goals (Practical Skills - HANDS)**

1. To develop interpersonal, communicative, and leadership skills essential for effective ministry.
2. To develop a burden for the spiritual needs of the world.
3. To develop ways and means to minister to the whole man made in the image of God.
4. To develop and use one's spiritual gifts for effective service to Christ, the church, and the world.
5. To be able to apply biblical principles concerning the responsibility of the Christian to promote justice and mercy in society with an informed concern in such areas as social ethics, government, social change, and contemporary public affairs.

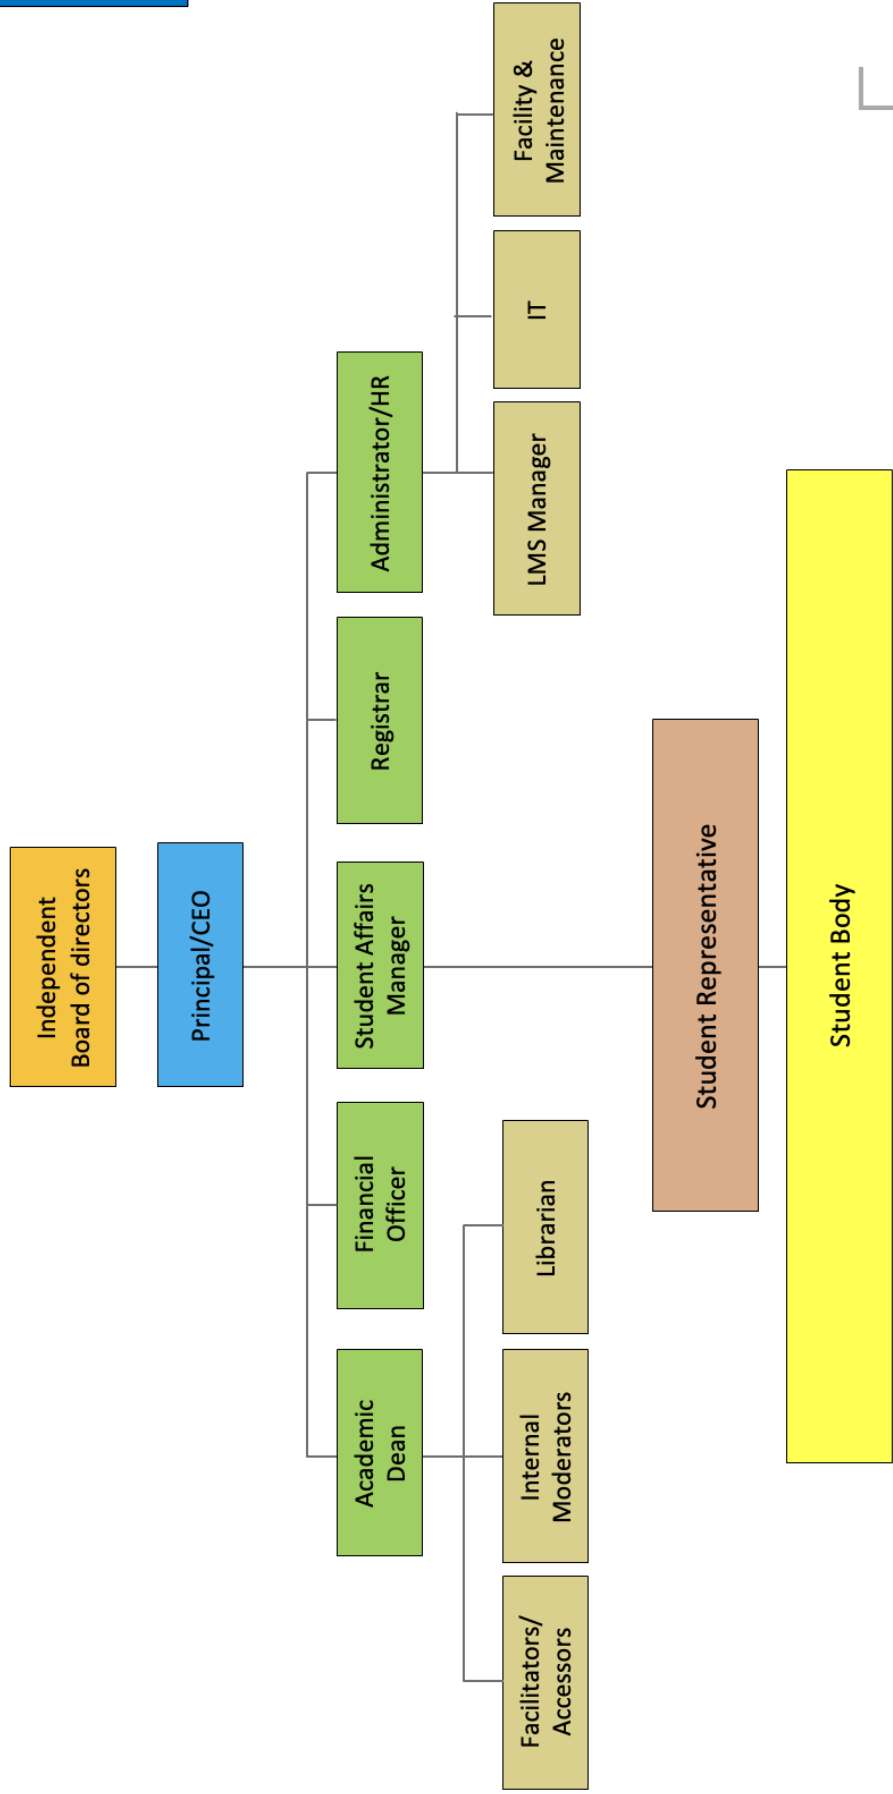

## Our Core Values

At Durban Bible College we are guided by a set of core values that are at the center of DBC's philosophy.

- **The Bible as God's Word** is central in the curriculum of the College since it is the inspired revelation of God to men and the only source of authority for the evangelization of the world, the establishing of Christian churches, and the building up of believers in the Faith.
- **Practical ministry involvement** including Christian service in local churches and the school-organized outreach or mission trip that ensures our graduates are not only academically prepared but ready for successful ministry.
- **A commitment to academic excellence** on the part of both lecturers and learners brings glory to God.
- DBC is a **multi-cultural school** where believers from all ethnic backgrounds come together and learn from one another.
- **World Evangelization:** The great commission is a driving motivation at DBC. We are committed to equipping our students to fulfill their role in carrying out the Lord Jesus' commission to the church.
- **Spiritual Formation:** The desire to internalize truth forms the basis of the life and ministry of the College. Facilitators and learners are challenged to submit daily to the Lordship of Christ and yield to the Spirit's ministry in their lives. As much as the institution aspires to academic excellence, the primary focus of biblical education at this College is spiritual transformation.
- **Evangelical Unity:** As an interdenominational institution DBC values evangelical unity which is the attitude and practice of accepting other Christians of evangelical conviction, regardless of denominational or theological affinity, for purposes of fellowship, encouragement, edification, and ministry.

## NQF 5 Qualification

### *Christian Religious Professional*

Qualification Title	SAQA ID	NQF Level	Modules	Credits
Occupational Certificate	101571	5	13	237
Christian Religious Professional				

#### **PURPOSE**

The purpose of this qualification is to prepare a learner to operate as a Christian Religious Professional. A Christian Religious Professional directs and conducts the ministry functions in a faith community to facilitate spiritual formation; nurture fellowship and mutual care within the faith community; help members to develop a Christian lifestyle; provide strategic leadership that leads to obedience to a vocation as well as well-being and sustainability of the faith community, and develops a missional practice that shares the good news of Jesus Christ and serves the holistic well-being of the entire community.

A qualified learner will be able to:

- Lead the faith community in spiritual formation that nurtures their relationship with God.
- Develop and nurture fellowship and mutual care within the faith community.
- Facilitate the holistic well-being of people within the faith community by developing proactive and reactive (coping) life skills and a Christian value system.
- Provide visional leadership that leads to obedience in their vocation, as well as the well-being and sustainability of the faith community.
- Develop a missional practice that shares the good news of Jesus Christ and serves the holistic well-being of the entire community.

#### **RATIONALE**

Religious ministers serving churches and Christian groups in Southern Africa come from two distinct backgrounds. The first is deemed more formal (also referred to as the so-called historic churches) while the second is seen as less formal and originated from more recent development processes. This second group includes what is referred to as Pentecostal and Charismatic churches and the large group of African Initiated Churches (AICs). Recent estimates indicate that there are around 186,000 pastors (ministers of religion) in this less formal group, compared to the number of around 9,000 for the historic churches.

There are currently no formally recognized qualifications for religious practitioners within the Christian tradition, apart from the Higher Education qualifications registered through the different tertiary educational institutions. With the introduction of the new occupational certificate, society will benefit from the assurance that large numbers of spiritual leaders who did not have a proper training opportunity in the past, will now have training available to develop a relevant set of competencies. The Occupational Certificate will be accessible to existing spiritual leaders who did not have the benefit of proper training in the past, and who do not have access to tertiary training at universities or private training institutions. It will also be accessible to newcomers to the profession who want to be trained as pastors, but who do not have access to tertiary training or who prefer to go the occupational training route.

## International Comparability

Most countries have qualifications in the Higher Education Band. In addition, churches have seminaries that qualify their ministers to be ordained. Australia seems to be the only country that has registered vocational qualifications for ministry that are not denomination specific. Evangelism, missionary, and other outreach organizations offer courses for people that want to pursue a calling in ministry, but these programs are not accredited.

The following equivalent qualification was found for a comparison with the qualification developed:

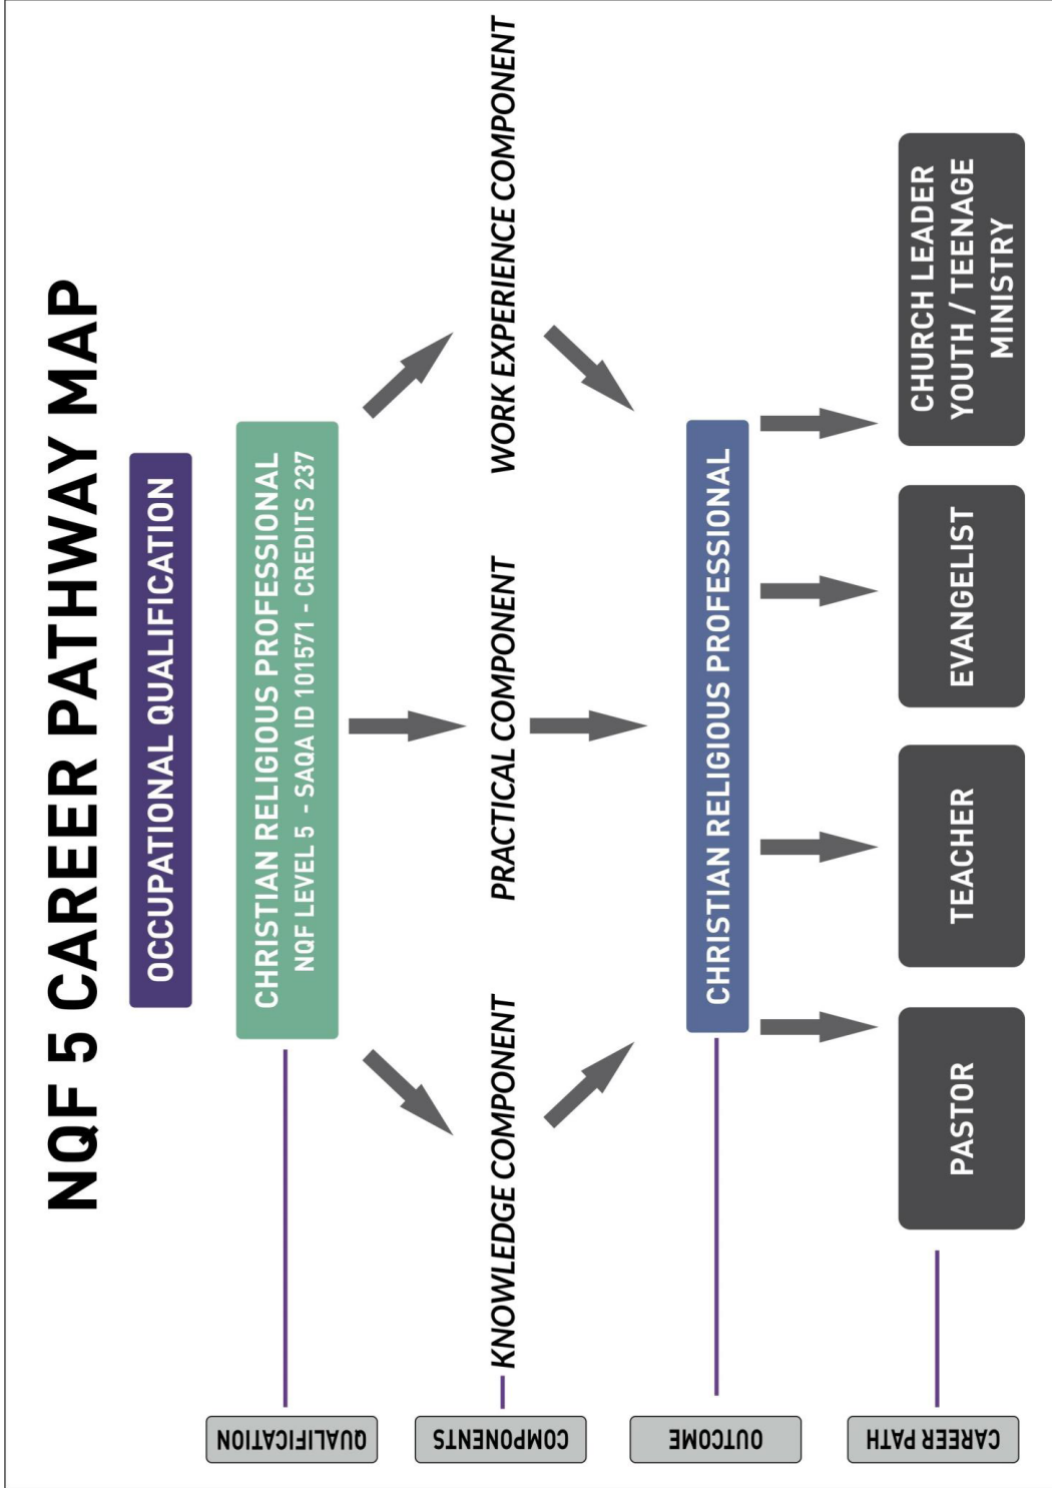

### Australia

- ◆ Course accrediting body: The Australian Skills Quality Authority (ASQA).
- ◆ Course Owner: Health and Community Services Workforce Council Inc.
- ◆ Course Title: 10433NAT Certificate IV in Christian Ministry and Theology.

### United Kingdom

- ◆ Course accrediting body: The Office of Qualifications and Examinations Regulation (Ofqual).
- ◆ Course Owner: University of London (<http://www.londoninternational.ac.uk>). Course Title: CertHE in Philosophy, Religion, and Ethics.

Note: All the above qualification information is taken from the SAQA Qualification Document, available at the QCTO website [www.qcto.org.za](http://www.qcto.org.za).

# Statement of Faith

## Preamble

DBC stands for historic Evangelical Christianity because it is rooted in the Word of God. Our doctrinal statement summarizes its key theological commitments. We focus on the essentials and embrace divergent perspectives on other questions in mutual respect and concern to let nothing stand in the way of Gospel unity.

**We believe** the Scriptures, both Old and New Testaments, to be the inspired Word of God, without error in the original writings, the complete revelation of His will for the salvation of man and the divine and final authority for all Christian faith, life, and conduct.

**We believe** in one God, Creator of all things, infinitely perfect and eternally existing in three persons: Father, Son, and Holy Spirit.

**We believe** Jesus Christ, without any change in His eternal deity, became man through conception by the Holy Spirit and virgin birth, that He died on the cross, a perfect and complete sacrifice, in our stead and for our sins, according to the Scriptures. He arose bodily from the dead and ascended into heaven where, at the right hand of the Majesty on high, He is now our High Priest and Advocate.

**We believe** that the ministry of the Holy Spirit is to glorify the Lord Jesus Christ, and during this age to convict of sin and regenerate the sinner upon believing in Christ, at the time of regeneration baptizing the believer into one body of which Christ is the Head; and to indwell, guide, instruct, fill and empower the believer for godly living and service.

**We believe** that man was directly created by God in His image but fell into sin. The entire human race is, therefore, lost; and only through repentance and faith in Jesus Christ, and regeneration of the Holy Spirit, can salvation and spiritual life be obtained.

**We believe** that the atoning death of Jesus Christ, and His resurrection, provide the only ground of justification and salvation for all who believe and that only those who receive Jesus Christ by personal faith are born of the Holy Spirit and thus become children of God.

**We believe** in the personal, pre-millennial, pre-tribulation return of our Lord Jesus Christ, and that this blessed hope has a vital bearing on the personal life and service of the believer.

**We believe** in the bodily resurrection of all the dead, of the believer to everlasting blessedness and joy with the Lord, and of the unbeliever to judgment and everlasting and conscious punishment.

**We believe** that the church is composed of all such persons who, through saving faith in Jesus Christ, have been regenerated by the Holy Spirit and are united together in the Body of Christ, of which He is the Head.

**We believe** that water baptism and the Lord's Supper are ordinances to be observed by the church during this present age. They are, however, not to be regarded as means of salvation.

**We believe** that all the saved should live in such manner as will honor and glorify and not bring reproach upon their Saviour and Lord and that it is commanded of God to remain separate from false doctrines, sinful pleasures, practices, and associations.

**We believe** in the personal existence of Satan whose main objective is to frustrate the purpose of God.

# Spiritual Formation

## Student Counselling

### The Rationale

The faculty of DBC is committed to excellence in teaching the sacred Scriptures. The goal is to help the student comprehend the truths and concepts taught in class. As much as that is of prime importance, the College is equally committed to a holistic approach to teaching.

The focus is on the total man 'body, soul, and spirit.' There is the awareness that not all of the students have the same capabilities and talents and that each is gifted differently. The differing backgrounds, pressures, and problems of the students make it imperative for the College to have a systematic and well-planned student counseling ministry.

Students are allocated to each lecturer. A schedule is worked out as to how best students can be accommodated for regular counseling. The lecturers are required to meet with their counselees at least once a week to ascertain the student's personal needs. The student is required to avail himself/herself of regular appointments with his/her counselor.

### The Advantages

It fosters a bond between the student and the lecturer.

It helps the student in character development.

It helps to curb difficulties that may arise in the student's life.

It keeps the lecturers in tune with the needs of the students.

It promotes a sense of belonging on campus.

It helps the lecturers to promote the ethos of the College on a more personal basis.

It adds specificity to each other's prayer life. It diminishes or eliminates disciplinary cases on campus.

It helps to ascertain firsthand whether the student is applying the truths learned in class.

The counseling of students helps the student's pastor in that the College shares in his ministry of counseling the student.

## DBC Approach to Spiritual Growth and Development

The primary goal of DBC is for all members of the community to know the Lord Jesus Christ personally and to grow in that relationship in such a way that they become more and more like Him.

### Growth in Community at DBC

The primary person responsible for growth is the individual. But God in His wise counsel has planned that growth takes place in the community. The Board of the College, therefore, engages the services of lecturers, both nationals and expatriates, who are carefully chosen to model, teach, and guide students toward this growth goal. Lecturers in turn are accountable to others (Dean, Principal, and Board) for growth in the greater achievement of the spiritual and personal goals we hold as a community. There are many ways this development (growth) in the community takes place – chapel, classroom, personal relationships with fellow students and lecturers, field service, prayer days, college socials, and practical work.

### Fellowship Groups

One of the chief elements in the DBC approach to spiritual growth and personal development is the Fellowship Group/Class Group. All students (should) belong to a fellowship group. These groups meet for prayer and fellowship regularly as part of the chapel prayer times and at other times if the group so

chooses. A lecturer or husband and wife team will oversee the coordination and planning of the group's activities.

### **Counselor and Counselee**

Students are allocated annually to a staff member for counseling. The idea is to advise, guide, encourage, and caution the student in his growth and progress in Christ-likeness. A counseling schedule is worked out between the student and the lecturer. It is hoped that most students will develop some level of personal discipleship relationship with their counselor. It is also anticipated that in such a relationship a person asks another to hold him or her accountable and to assist in growth toward ever-higher goals of Christ-likeness, assisting the student in identifying areas of weakness and setting goals for spiritual growth.

### **Institutional Accountability**

Besides the group and personal relationships, another important factor in the DBC approach to spiritual growth and personal development is DBC institutional accountability. Since accountability within the group or with the counselor is voluntary and varies from person to person and group to group, all students, staff, and board members are accountable to the DBC community as a whole for adherence to DBC's biblical and ministry standards. This accountability is expressed in two ways:

First, all of us are "our brother's keepers." We should hold one another accountable to the highest and best. At the very least we should help one another abide by our official standards. This means that if anyone (staff or student) observes another member of the DBC community violating a biblical or ministry standard, he or she should speak to the person with humility and graciousness, seeking mutual edification. If there is a serious infraction of biblical or ministry standards or a continual violation of some lesser standard, it should be communicated to the Principal.

Secondly, all members of the DBC community are expected to sign a statement periodically, indicating their compliance with College standards. This is an honor system of basic accountability. In the case of staff, this statement is made annually and submitted to the Principal. In the case of students, this statement is made every quarter and submitted to the Principal.

### **Disciplinary Committee**

Students will come under the Principal and staff of the College. Lecturers will fall under the Principal and/or the Board of the College. In these ways, we assist one another in pursuing the highest goal to become increasingly like Jesus Christ and thus know God more intimately. His will is declared, "If you love me, you will keep my commandments" (Jn. 14:15).

Engaged applicants should consult the principal on regulations. Students considering courtship and marriage should consult the principal.

### **Standards of Conduct**

Students who meet the entrance requirements and enter the College are expected to have the best intentions regarding their behavior. A code of school standards and procedures is distributed and explained to students each year. Any departure from these standards or Christian standards, in general, is discussed with students personally with the expectation that necessary corrections will be made. Serious infractions can lead to dismissal.

## **S.E.R.V.A.N.T.**

Character is as important as skill and knowledge and at Durban Bible College our spiritual formation efforts focus on this as we desire to instill and encourage virtues in our students that would help them to be useful SERVANTS to God, His people and the worldwide audience.

Our Head, Heart and Hands themed program nurture the following 7 attitudes that are characteristic of a S.E.R.V.A.N.T.

### **Steward -**

One who serves God, His people and others, not for self-gain. “Let nothing be done through strife or vainglory, but in lowliness of mind let each esteem others better than themselves.” - Philippians 2:3

### **Excellent -**

One who serves in a manner for God to be glorified. “...whatsoever ye do, do all to the glory of God.” - 1 Corinthians 1

### **Responsible -**

One who serves to understand that all things belong to God “...all things were created by Him and for Him.” - Colossians 1:16

### **Virtuous -**

One who serves with a character that is above reproach. “...to present you holy, and unblameable, and unproveable in His sight.” - Colossians 1:22

### **Available -**

One who serves people with an attitude of kindness and compassion. “...be ye kind one to another, tenderhearted...” - Ephesians 4:32

### **Noble -**

One who serves in the church and community with a testimony worthy to be followed. “...being examples to the flock.” – 1 Peter 5:3

### **Teambuilding -**

One who serves in a manner that, motivates, builds up, equips and edifies others “...edify one another...” - 1 Thessalonians 5:11

## Student Life

In addition to class work, full-time students at DBC enjoy many other activities that round out the DBC experience.

### Devotions:

On the day in the morning of class, students gather in the chapel for a brief time of corporate devotion. These times are led by faculty and students on a rotating schedule.

### Chapel:

Once a month DBC students and faculty come together to worship God and to hear biblical preaching. Chapel speakers include many special guests as well as DBC faculty. Occasionally special programs take the place of preaching in our chapel services.

### Senior Students' Social (Farewell):

Near the end of each school year, the underclassmen organize a day out for the graduating class.

### Initiation (Welcoming)

At the beginning of the academic year, DBC is used to welcome the new students through an outing with fun activities and

### Prayer Time in Groups:

The most important thing we do together as a school is to take time for prayer weekly. Sometimes we pray together in one group; sometimes we pray with partners or in small groups or have personal time for prayer.
